Dinner and Discussion with RAHUL MEHTA

Join us for an exclusive dinner hosted by IIT Alumni of Greater Houston [IITAGH], where we will learn about the extraordinary contributions of “RAHUL MEHTA.” This captivating evening promises to inspire and cultivate a spirit of giving back.

Rahul Mehta founded the Mehta Family Foundation to advance initiatives in education and healthcare. Some of the foundation’s projects include:

- I. the Bhupat and Jyoti Mehta School of Biosciences at the Indian Institute of Technology (IIT) Madras to promote biosciences
- II. the Mehta Family Center for Engineering in Medicine at IIT Kanpur for research at the intersection of engineering and medicine,
- III. the Mehta Family School of Data Science and Artificial Intelligence at IIT Guwahati to apply AI to solve societal problems.
- IV. the Mehta Family Engineering Research Center, at the University of Houston
- V. the Mehta Family Community Pavilion, at the University of Houston.

Prior to creating the foundation, Rahul built four successful startups without external funding. They were subsequently acquired by Platinum Technology, HP, Veritas, and Brocade.
